For this section general and heavy rain, brisk to high southeasterly winds on the coast, no decided change in temperature.

COMPROMISE EFFECTED.—A meeting of the republican city committee was held last night at the City Hotel. All the members of the committee were present, and they united in tendering their resignations, whereupon the following was unanimously adopted:

YOUNG MEN'S MAJORITY REP. CLUB, 2d WARD, ALEXANDRIA, Va., Sept. 23, 1889.

At a conference of the city committee, held this day, the following preamble and resolutions were unanimously adopted:

WHEREAS Mr. Thos. Dearborn has signified his intention of resigning his position as city chairman. Therefore, be it

Resolved, That we cannot allow this opportunity of renewing our confidence in Mr. Dearborn to pass; that we feel that Mr. D. takes this action purely in the interest of harmony; that we point with great satisfaction to the victories achieved under his leadership, and if it were not for his promises of hearty support to the new organization we could never consent to this change.

Resolved, That we promise our individual support to the new organization, and sincerely believe that with the honest efforts of every republican the party will go forward to victory in November.

Mr. Corbet was present at the meeting and expressed his willingness to accept the chairmanship of the new committee.

The ward meetings to have been held to-night under the call of Mr. Dearborn, to select delegates to the city and county convention to nominate a candidate for the legislature, have been postponed.

PERSONAL.—In a recent letter from the Rockbridge Alum Springs the writer says: "Perhaps the most beautiful entertainment which has been given here this season was the grand fancy ball. In a magically short time the ladies arranged the most varied and bewitching costumes. We had modest quakers, black veiled nuns, old-fashioned girls, impersonations of the seasons, etc., mingling in the same dance. As 'Nothing But Leaves' Mrs. Robert Thorpe (see Miss Lucy Brent, of this city) was as brilliantly beautiful as a bright October day."

Rev. C. E. Woodson, who was ordained a deacon at the Theological Seminary last session, has received a call to Ohio.

Miss Carrie Meredith, of Baltimore, is visiting Miss Nellie Vincent.

Mrs. Martha Chatham continues extremely ill at her home on Cameron street.

Messrs. Eugene Taylor and J. Frank Carlin have returned from their trip to Europe. Mr. W. J. Hall, who accompanied them, is now in New York and will come home on Thursday.

Mr. Luther D. Harrison, of Wytheville, is in the city on a short visit.

The marriage of Mr. E. A. Greenaway, of Falls Church, and Miss Melbie Acton, of this city, is announced to take place early next month.

Mr. John Henshaw and Miss Laura Smith are to be married to-morrow night.

CIRCUIT COURT.—Judge James Keith presiding.—Martha Chatham vs. Geo. W. Harrison; report of commissioner of sale confirmed.

Sadie Summers vs. Francis Miller, et al.; report of commissioner of sale confirmed.

W. H. Muir vs. J. F. Muir; suit to recover the west half of the store on King street next to the corner of St. Asaph; jury verdict for plaintiff for the property and back rent.

W. C. Richards vs. A. & F. Ry. Co.; suit for damages to property on Fayette street caused by the fast running of trains; jury and case in progress.

COURTS.—September has been a month of courts. On the first Monday the County Court, Judge Chichester, held its session here; this was followed by the Corporation Court, Judge Norton, which met on the second Monday and was in session during that week; on the third Monday, yesterday, Judge Keith began his term of the Circuit Court for the city, which will be in session for several days, and on Monday next, the fourth Monday, Judge R. W. Hughes will begin his term of the U. S. District Court. Besides all these the Mayor holds his court daily, while the various magistrates hold theirs day and night.

POLICE REPORT.—Last night was cloudy and cool with no prisoners and four lodgers at the station house.

The Mayor this morning disposed of the following cases:

John Hilliard, arrested by officer Brenner for vagrancy, and Hugh Smith and John Simms by officers Henry, Price and Simpson for being drunk and disorderly, were ordered to leave the city.

Robert Hopkins, colored, charged with an assault on Col. D. A. Windsor, was put under bond to keep the peace.

SLIDE ON THE VIRGINIA MIDLAND.—Paul Saunders, about ten years old, while walking on the Midland track Sunday afternoon, between 4 and 5 o'clock, discovered a slide on the track near the city. The little fellow put back for the depot with all speed, and notified the officials of the fact. An engine, with young Saunders as pilot, left for the scene, and the slide was removed in time for the 6 o'clock passenger train to leave as usual.—*Lynchburg Advance*.

CHARGED WITH MURDER.—"Boozy" Brookins, a colored girl, and a colored man named Henry Frazier, have been arrested and are now in jail in Leesburg charged with killing the colored girl Valentine in that town on August court day. Mayor Clagett and Sergeant Head, of that town, yesterday went to Washington and arrested a colored boy and sent him to Leesburg as an important witness in the case.

THE REVIVAL SERVICE at the Methodist Protestant Church last night was of an interesting character. A large congregation was present, the singing spirited and the talk by the pastor upon the necessity of personal work earnest. The meeting will be continued each night this week.

MEDICINAL.

SKIN CANCER.

Several years ago I was called to see a colored woman who had a malignant form of cancer on her foot. The cancer grew worse under the prescribed treatment, and the toes and outside of the foot were at length eaten entirely away. The patient could not have survived much longer, but I commenced the use of Swift's Specific, and it cured her sound well. That was three years ago, and there has been no return of the disease. I regard Swift's Specific a most excellent medicine for blood diseases, as its tendency is to drive out the poison.

CANCER OF THE TONGUE.

For three or four years I had an eating sore on my tongue that made a considerable hole in it. I became alarmed at its progress, and went to Atlanta for treatment. The result was that I commenced the use of Swift's Specific, and the sore was soon gone, without a trace of it left. Thomson, Ga., Dec. 14, '89. A. Lewis.
